

A painting depicting 2020 by one of our teen-girls

The year 2020 was unlike any other year. It was a strange year for the whole globe, but for Lebanon, it was an exceptional year. The country is collapsing financially, politically, socially and the Covid-19 crisis has added more chaos. However, for Together, for the Family 2020 was a year of opportunities to bring hope and light in the midst of distress and darkness. Please join me in offering praise to God as you read our newsletter. I would also like to take this opportunity to warmly thank you for your support and prayers.
